

Father Friendly Initiative (FFI)

Because Dads Can Be the Difference

The **Father Friendly Initiative** was established to acknowledge and support the vital role that fathers have in their children's lives. We offer resources, guidance, and opportunities for dads to grow, connect, and take on leadership roles within their families and communities.

FFI connects fathers to practical supports, including:

- Job training and employment assistance
- Mental health resources
- Healthcare access
- Custody and visitation guidance

FFI offers group sessions focused on:

- Communication
- Health and wellness
- Family dynamics
- Parenting
