RE: FOIA Request Concerning ICE Sources Sought Notice – “DHS-ICE-SurgeParking”

Dear FOIA Officer,

This is a request under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, *et seq.* The City of Boston respectfully requests the following:

- All submissions and/or responses to ICE Sources Sought Notice with Notice ID “DHS-ICE-SurgeParking”¹

Requesters seek the above records from the time of the Notice through the date of the final response to this request. Please construe this as an ongoing request; any records that come within the possession of the agency prior to the final response are within the scope of the request.

The Requesters ask that any records that exist in electronic form be provided in their native electronic format. Requesters ask that any documents stored in Portable Document Format (“PDFs”) be provided as individual files in a searchable PDF format.

Consistent with federal law, the City expects the release of all segregable portions of otherwise exempt material. If, under applicable law, any of the information requested is considered exempt, please describe in detail the nature of the information withheld, the specific exemption or privilege upon which the information is withheld, and whether the portions of withheld documents containing non-exempt or non-privileged information have been provided.

Sincerely,

Mike Firestone
Corporation Counsel
