4. CLIMATE RESILIENCE ANALYSIS & OBSERVATIONS
5. CONCEPTUAL SITE DESIGNS & PRECEDENT IMAGERY
6. LISTENING & DISCUSSION
BUILDING A NEW PARK TOGETHER
PROJECT SCHEDULE & FUNDING

OCTOBER 2017
Community Meeting 1

JANUARY 2018
Community Meeting 2

MAY 2018
Community Meeting 3

JULY 2018
Design Development + Construction Documents

SPRING 2019
Construction
Estimated cost of construction: $4,500,000.00

FALL 2018
PERMITTING

FALL 2019
Anticipated Park Opening
Community Meeting #2 – What we heard from you

• The park is loved by the neighborhood and a premier destination for the residents and visitors
• The sports fields are burdened by intensive use. Inclusion of synthetic turf was supported. Baseball infield footprint should remain.
• Improved equipment storage for NEAA
• Provide use-areas and activities for multi-generation age groups
• Provide restroom accommodations
• Inclusive playground and multi-sport court should welcome children from adjacent schools
• Park resilience and consideration of flooding/damage to new fields

• BPRD and Weston & Sampson met with:
  Boston Planning & Development Authority
  Climate Ready Boston
  HarborWalk/Friends of the Harborwalk

• Ongoing Coordination:
  Department of Conservation and Recreation (DCR)
  Boston Centers for Youth & Families (BCYF)
  Public Facilities Department (PFD)
  Friends of the HarborWalk
CLIMATE RESILIENCY ANALYSIS
