## HOST COMMUNITY AGREEMENT

This Host Community Agreement ("Agreement") is made and entered into on the 18<sup>th</sup> day of October, 2018, by and between the City of Boston, Massachusetts ("City" or "Boston") and Green Line Boston Inc. ("Company") and (collectively the "Parties").

WHEREAS, the Company wishes to operate as a licensed Marijuana Cultivator and Marijuana Product Manufacturer, by receipt of a license from the Commonwealth of Massachusetts' Cannabis Control Commission ("CCC") at one location within the City, in accordance with 935 CMR 500.000 et seq.;

WHEREAS, The Parties understand and acknowledge that the Company intends to locate and operate as a Marijuana Cultivator and Marijuana Product Manufacturer at 100 Hampden Street, Boston, Massachusetts 02119;

WHEREAS, the Company endeavors to function as a responsible corporate citizen and contributing member of the business community as it builds and sustains its business in the City;

NOW THEREFORE, in consideration of the provisions of this Agreement, the Company and the City agree to the following:

1. Definitions. As used in this agreement, terms shall have the following meaning:
  - a. Marijuana Establishment means a Medical Marijuana Treatment Center, Registered Marijuana Dispensary, Marijuana Cultivator, Craft Marijuana Cooperative, Marijuana Product Manufacturer, Marijuana Retailer, Independent Testing Laboratory, Marijuana Research Facility, Marijuana Transporter, or any other type of licensed marijuana-related establishment seeking to conduct business within the City.
  - b. Gross Sales Revenue means the total revenue actually derived from cultivation, manufacturing, processing and/or sales of marijuana and marijuana related products at the Marijuana Establishment.
  - c. Calendar Year means a period of days running from January 1st until and through December 31st of the same year.
  - d. Commencement Date means the date the Company commences sales at its Marijuana Establishment.

2. Payment. In the event that the Company obtains a license from the CCC for the operation of a Marijuana Establishment in the City and the Company receives any and all necessary and required permits and licenses issuable by the City, which said permits and/or licenses allow the company to locate, occupy and operate the Marijuana Establishment, the Company shall pay the City the following amounts:

- a. The Company shall make Quarterly Payments equal to three percent (3%) of gross sales revenue to be paid within thirty (30) days after the end of the quarter and reconciled within thirty (30) days after the end of the fiscal year for a period of five (5) years following the commencement date. The parties agree that this fee is reasonably related to the costs

imposed upon the City by the operation of the Marijuana Establishment. The Company shall provide the City an annual report within thirty (30) days after the end of the fiscal year, demonstrating gross sales revenue for the fiscal year.

- b. With regard to any year of operation for the Company which is not a full calendar year, the applicable Quarterly Payment shall be pro-rated accordingly.

3. Obligations of the City. The City shall work cooperatively and in good faith with the Company as the Company progresses through the City's permitting process.

This Agreement does not affect, limit, or control the authority of any City department, including boards and commissions, to carry out their respective duties in deciding whether to issue or deny any necessary local permits or licenses pursuant to state or local law, ordinance, or regulation and collect appropriate fees and fines related to local permits and licenses. By entering into this Agreement the City is not required to issue such permits or licenses.

All rights and obligations under this Agreement are expressly conditioned upon the Company's receipt of a Final License allowing for the operation of a Marijuana Cultivator and Marijuana Product Manufacturer License within the City, and upon Company obtaining all local approvals. If Company fails to secure a Final License, or any of the required local approvals aforementioned, this Agreement shall be null and void.

4. Taxes. At all times during the Term of this Agreement, property, both real and personal, owned or operated by the Company shall be treated as taxable, and all applicable real estate and personal property taxes for that property shall be paid either directly by the Company or by its landlord, and neither the Company nor its landlord shall object or otherwise challenge the taxability of such property and shall not seek a non-profit exemption from paying such taxes. Notwithstanding the foregoing, (i) if real or personal property owned, leased or operated by the Company is determined to be non-taxable or partially non-taxable, or (ii) if the value of such property is abated with the effect of reducing or eliminating the tax which would otherwise be paid if assessed at fair cash value as defined in G.L. c. 59, §38, or (iii) if the Company is determined to be entitled or subject to exemption with the effect of reducing or eliminating the tax which would otherwise be due if not so exempted, then the Company shall pay to the City an amount which when added to the taxes, if any, paid on such property, shall be equal to the taxes which would have been payable on such property at fair cash value and at the otherwise applicable tax rate, if there had been no abatement or exemption; this payment shall be in addition to the payment made by the Company under Section 2 of this Agreement. Nothing in this section shall in any way limit or prevent the Company from challenging the valuation of its property before the Board of Assessors or at the Appellate Tax Board. All taxes and charges owed to the City must be paid on a current basis. The City may place a lien on the property of any person who has an outstanding balance due the City from any fee, charge or tax, which balance is at least six (6) months past due.

5. Term and Termination: This agreement shall take effect on the above written date, subject to the contingencies noted herein. This agreement shall continue in effect for so long as the Company operates as a the Marijuana Cultivator and Marijuana Product Manufacturer within the City, or five (5) years from the commencement date, whichever is earlier. At the conclusion of the term of this agreement, the Parties shall renegotiate a new Host Community Agreement in accordance with the prevailing regulations and laws as such regulations may be amended or replaced. If the Company seeks to change its business operations to include recreational marijuana retail operations at its site, the Company agrees to comply with the established City process relative to a cannabis related establishment, including but not limited to,

notice to abutters, a community outreach meeting and City review process and, if approved, to renegotiate a new Host Community Agreement. In the event that the Company no longer does business in the City or in any way loses or has its license revoked by the Commonwealth, this agreement shall become null and void; however, the Company will be responsible for the pro-rated portion of the Quarterly Payment due as under section 2 above.

6. Appropriation. The purpose of this agreement is to assist the City in addressing the costs imposed upon the City by the operation of the Marijuana Establishment.

7. Security. The Company shall maintain security at the Marijuana Establishment in accordance with the security plan presented to the City and included as part of their application to the Cannabis Control Commission. Said security plan shall take into account the unique operational concerns particular to the Marijuana Establishment at the proposed location as well as all applicable laws and regulations.

8. Signage. The Company will limit signage for the Marijuana Establishment to the extent that such signage is inconsistent with applicable statutes and regulations, and to the extent that such signage is inconsistent with the look and character of the surrounding area and/or injurious to the neighborhood.

9. Hours of Operation. The Company agrees to the following operating hours for the public: Monday through Saturday 9 am-6 pm. The Company agrees to not operate on legal holidays of the Commonwealth of Massachusetts, as established by the Secretary of State's Office, or Suffolk County holidays. The Company may engage in cultivation and manufacturing outside of the foregoing hours of public operation but will not schedule, accept or send out any deliveries from the facility on Sundays or during the hours it is closed to the public.

10. To the extent that such a practice and its implementation are consistent with federal and state laws and regulations, the Company will work in a good faith, legal and nondiscriminatory manner to give reasonable preference in the hiring of employees for the Marijuana Cultivator and Marijuana Product Manufacturer facility to qualified Boston residents.

11. The terms of this Agreement will not constitute a waiver of the City's regulatory authority or of the Company's applicant responsibilities not otherwise addressed by this Agreement.

12. Events of Default. The Company shall be deemed to have committed an event of default if any of the following occur:

- a. The Company fails to obtain, and maintain in good standing, all necessary local licenses and permits for the Marijuana Establishment, provided that the Company is able to exercise all available rights and due-process for maintaining in good standing said licenses and permits;
- b. The Company ceases to operate a Marijuana Cultivation and Marijuana Product Manufacturing operation at its proposed location or seeks to include recreational marijuana retail sales as part of its operations without notifying the City; and
- c. The Company fails to make payments to City as required under this Agreement, and such failure remains uncured with reasonable written notice from the City for thirty (30) days.

13. In the event that the Cannabis Control Commission suspends or revokes the Company's license, the City may also declare an event of default and terminate this Agreement. The Company shall be required

to pay any amounts due upon the termination date; such amount to be determined by the period of operation of the Marijuana Establishment within the city.

14. The City may terminate this Agreement upon the occurrence of any event of default.

15. Termination for Cause. The City may terminate this Agreement for cause at any time by giving at least thirty (30) days' notice, in writing, to the Company. Cause is defined as the Company's violation of any applicable laws of the Commonwealth, or local ordinances and regulations, with respect to the operation of a Marijuana Establishment in the City of Boston. Notwithstanding the above, the Company shall not be relieved of liability to the City for damages sustained by the City for personal injury or property damage by virtue of any termination of the Agreement.

16. This Agreement is not intended to, nor shall it be construed to, create any rights in any third parties.

17. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts. All legal disputes shall be resolved in the Courts of the Commonwealth of Massachusetts and the Company submits to the jurisdiction of the Trial Court for Suffolk County for the adjudication of disputes arising out of this Agreement.

18. Assignment. Neither party may assign its rights or delegate its obligations under this Agreement without the prior written consent of the other party; provided, however, that a pledge or assignment of assets, revenues, profits or receivables required in connection with financing the business by the Company shall not be considered an assignment for the purposes of this paragraph.

19. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible and the remaining provisions of this Agreement will remain in full force and effect, unless to do so would result in either party not receiving the benefit of its bargain.

20. Headings. Section headings in this Agreement are inserted for convenience of reference only and shall in no way affect, modify, define or be used in construing the text of the Agreement. Where the context requires, all singular words in the Agreement shall be construed to include the masculine and feminine forms of such words.

21. Modifications. Modifications to this Agreement may be effective only if made in writing and signed by both Parties.
