NOTICE OF PUBLIC HEARING

The **ABERDEEN ARCHITECTURAL CONSERVATION DISTRICT COMMISSION** will hold a public hearing:

DATE: Thursday, 8 September 2016

TIME: 4:00 PM

PLACE: Boston City Hall – Piemonte Room (5th Floor)

Subject of the hearing will be applications for Certificates of Design Approval on the agenda below, review of architectural violations and such business as may come before the commission, in accordance with Ch. 772 of the Acts of 1975, as amended. Applications are available for review during normal business hours at the office of the Environment Department. Sign-language interpreters are available upon request.

After 5:30 p.m., enter and exit City Hall at the Dock Square entrance on Congress Street (across from Faneuil Hall).

- I. ADMINISTRATIVE REVIEW/APPROVAL:** In order to expedite the review process, the commission has delegated the approval of certain work items, such as those involving ordinary maintenance and repair, restoration or replacement, or which otherwise have a minimal impact on a building's appearance, to the staff pending ratification at its monthly public hearing. **Having been identified as meeting these eligibility criteria and all applicable guidelines, the following applications will be approved at this hearing:**

► Applicants whose projects are listed under this heading **NEED NOT APPEAR** at the hearing. Following the hearing, please present a copy of this agenda at the Inspectional Services Department (1010 Massachusetts Avenue) when applying for permits. ISD personnel will send an electronic copy of your building-permit application to the Environment Department. (To avoid potential confusion, the text of your building-permit application should be consistent with the project description given below.) Commission staff will accordingly authorize the execution of the work, attaching any applicable provisos, reflecting the relevant guidelines and precedents.

► **PLEASE NOTE THAT NO FURTHER CORRESPONDENCE WILL BE ISSUED** for the applications listed below. The electronic building-permit application as annotated by commission staff will constitute your Certificate of Appropriateness; this will be valid for two years from the date of the hearing. The applicant is required to notify the commission of any project changes; failure to do so may affect the status of the approval.

If you have any questions not addressed by the above information, please contact Lissa Schwab at 617.635.3850 or lissa.schwab@boston.gov. Thank you.

17.150 AB 1922-1924 Beacon Street: Remove and replace the roofing membrane system, including replacing the non-historic aluminum cap flashing over the front parapet with shorter drip edge flashing to reveal the underlying historic masonry.

17.213 AB 43 Leamington Road: Remove and replace the asphalt shingles, underlayment paper, associated flashing, and ridge vent in-kind.
