PEDESTRIAN PATH BETWEEN ROXBURY AND SOUTH BOSTON WATERFRONT

Mayor Martin J. Walsh has announced that the City of Boston has worked to successfully secure over \$3 million in federal and state funds to construct the first phase of the South Bay Harbor Trail, which when completed will bring three and a half miles of safe walking and cycling paths extending from Ruggles Station in Roxbury to the South Boston waterfront.

This first phase will involve building a $\frac{3}{4}$ mile section of the trail linking the South End to South Boston where it will connect with the existing Fort Point Channel Harborwalk. The South Bay Harbor Trail is one of several ongoing policies and projects identified in the Go Boston 2030 Action Plan that the City of Boston had in development prior to the release of the Action Plan earlier this year. These policies and projects include a series of multi-use paths, such as the South Bay Harbor Trail and the Connect Historic Boston project currently in construction, that will improve access, reliability and safety for pedestrians and bicyclists. It was also highlighted by Go Boston 2030 as a Better Bike Corridor that the City would pursue as part of an effort to build low stress bike facilities throughout Boston.

"The South Bay Harbor Trail will offer direct, protected access to the South Boston Waterfront for people walking and riding bikes from Ruggles Station in Roxbury, as well as from points in Boston neighborhoods along the way," said Mayor Walsh. "With many job opportunities on the South Boston Waterfront, it is critical that Boston residents have commuting options into the area that are reliable, affordable and safe. The South Bay Harbor Trail meets this demand and I look forward to the start of construction in the spring."

The route of the South Bay Harbor Trail crosses over bridges and under highways, allowing people to walk and ride bikes in areas that have traditionally been difficult, if not impossible, for them to navigate. Via the Broadway Bridge, the first phase to be constructed will extend from Albany street near Union Park Street in the South End to Dorchester Avenue in South Boston at the entrance to the Gillette facility.

The second phase of the South Bay Harbor Trail will be constructed as part of the Melnea Cass Boulevard roadway reconstruction project. It will run from Ruggles Station, along Melnea Cass Boulevard, to the intersection of Melnea Cass Boulevard and Massachusetts Avenue. This phase of the South Bay Harbor Trail is expected to be advertised for construction in 2019. The City of Boston is managing and funding the project design and community process. The City of Boston has secured \$25 million in federal and state funds to construct this second phase that will include the full reconstruction of Melnea Cass Boulevard.

Top Things to Do in Boston in October

Watch Boston's Columbus Day Parade

Marching through Boston's North End neighborhood in odd-numbered years (2015, 2017, 2019) and East Boston during even-numbered years (2016, 2018, 2020), the **Columbus Day Parade** celebrates the city's Italian heritage, the armed forces and their contributions to American freedom, and implicitly, the voyages and explorations made by Christopher Columbus.

This 2-hour parade attracts more people from the neighborhood than tourists, and chatting with all the neighbors and other groups while watching the bands, military units and honorary militias, floats, performers, clowns, and even antique cars march by adds to the fun.

Be sure to: Go for dinner in one of the mouth-watering North End or East Boston Italian restaurants after the parade:

✦ **North End** - You'll find dozens of great choices along and near Hanover and Salem Streets - basically, you'll be happy with whatever you choose if you like Italian cuisine

Celebrate Halloween!

With its many historic graveyards, ghost stories, and grisly murders (think Jack the Ripper), not to speak of millions of pumpkins from the surrounding New England countryside, Boston revels in Halloween, with celebrations and special events going on all month.

Explore Boston by Bike

Another fun thing to do is to join a bike tour—Tours depart several times daily, and you can select from a bunch of interesting options, including fall foliage tours.

Watch the Head of the Charles Regatta

Head of the Charles Regatta crew teams, viewed from the BU Bridge

Sculls (racing boats) powered by rowers ply the Charles River almost year-round - truly a quintessential Boston sight.

But when over 8,000 local and elite rowers from around the world gather for the huge Head of the Charles Regatta in late October, they fill the river with an exciting spectacle that attracts huge crowds along the banks and looking down from the bridges.

Best of all, the Regatta gives you the perfect excuse to be outdoors enjoying fall foliage during the most beautiful season of the year.

Find a great viewing spot from either the Cambridge or Boston side of the river or one of the bridges, and enjoy the races!

(October 2, October 9, 2017)

Mayor Martin J. Walsh announced a series of upcoming workshops on home energy efficiency for Boston residents. The workshops are being offered through the City's Renew Boston program and will share energy-saving tips with residents and connect them with resources and incentives through Mass Save.

Since 2010, more than 30,000 Boston residents have received a home energy visit, 7,000 residents have upgraded their homes to use energy efficient technology, and 300 residents have participated in the Whole Building Program, which provides a 90 percent discount of up to \$3,000 per unit for the weatherization of all units of residential structures with two to four units.

This past summer, Renew Boston received over 200 requests for energy audits during Mayor Walsh's Summertime Coffee Hours and the BCYF Block Parties, a testament to the continued commitment of Bostonians to energy efficiency. Mayor Walsh and the City of Boston encourage all residents to celebrate today and participate by saving energy in their homes and places of work.

All of the workshops are free and open to the public, and attendees are encouraged to RSVP.

Youth Homelessness in the City of Boston
Event # - EV00004474

NOTE: For information about this particular bid, please contact Bid Counter @ (617) 635-4828

The City of Boston (City), on behalf of the Boston Continuum of Care (Boston CoC), acting through the Director of the Department of Neighborhood Development (DND), at 26 Court Street, Boston, MA, hereby invites proposals for Technical Assistance for the Development of a Plan to Eliminate Youth Homelessness in the City of Boston.

This Request for Proposals seeks interested and qualified Applicants to assist the City of Boston in the development and implementation of a plan that will gather data on homeless youth; inventory system capacity; analyze the unmet need for youth and young adult programs; lead CoC efforts to improve coordination and increase collaboration; design innovative approaches and recommend programs to address gaps in residential emergency, transitional and permanent housing; and improve stakeholder, partner and community engagement through the development of an Action and Implementation Plan to Eliminate Youth Homelessness in Boston.

To access details for this specific Event, or to respond through electronic format, please visit the City of Boston Supplier Portal and access **Event # - EV00004474**.

The Request for Proposals (RFP) package will be available beginning, October 10, 2017, 9:00 AM from the City's purchasing website, Supplier Portal (www.cityofboston.gov/Procurement), the City's new online process for purchasing, bidding, contracting, vendor registration and payment. You may also obtain the RFP package at the Department of Neighborhood Development (DND) Bid Counter, 10th Floor, 26 Court Street, Boston, MA 02108.

Completed proposals must be submitted via the Supplier Portal or directly to the DND Bid Counter, 26 Court Street, 10th Floor, Boston, MA 02108 before 4:00 PM on October 24, 2017. **LATE PROPOSALS WILL NOT BE ACCEPTED.**

PLEASE NOTE: In order to participate in these online procurement activities Applicants must register with the Supplier Portal at www.cityofboston.gov/Procurement. First-Time Applicants, i.e., those who have never contracted with the City or, if so, not for many years, will be required to obtain login credentials, a process which is subject to administrative delays. DND recommends that First-Time Applicants submit a hardcopy proposal at the DND Bid Counter, yet still register with the Supplier Portal so as to be prepared for future RFPs.

DUDLEY BRANCH CLOSING FOR RENOVATIONS

At 5 p.m. on Friday, November 17 the Dudley Branch of the Boston Public Library will undergo a temporary closure for renovations with plans to reopen in Spring 2020. The \$14.7 million renovation includes a new welcome area overlooking a redesigned plaza; improved visibility and openness; dedicated space for children, teens, and adults; a nutrition lab and technology teaching lab; refreshed collections; and more.

During the closure, Dudley Branch patrons are encouraged to use any of the BPL's other locations throughout the city. This project is a collaboration between the Boston Public Library and the City of Boston's Public Facilities and Arts & Culture Departments, under the leadership of Mayor Martin J. Walsh. The Library is working with architecture firm Utile, Inc. and a community advisory committee on the design for the renovations.

The City of Boston (“the City”), acting by and through its Chief Information Officer (“the Official”), requests proposals for an Analytics Data Warehouse Platform, as particularly set forth in the Request for Proposals, which may be obtained from the City’s purchasing website and Supplier Portal (boston.gov/procurement).

Responding to this RFP is voluntary. All costs associated with responding to this RFP, any presentations, and/or demonstrations will be the sole responsibility of the vendor participating in the RFP response.

All proposals shall be submitted in strict conformance with the Request for Proposal (RFP) which may be obtained by visiting boston.gov/procurement/, on or after 12:00 PM., Boston local time, on Monday, October 2, 2017. The RFP will remain available until the date and time of the opening of proposals, on Thursday, October 26, 2017 at 12 noon, Boston local time.

The attention of all proposers is directed to the provisions of the Request for Proposals and contract documents, specifically to the requirements for proposal deposits and insurance as may be applicable.

Offerors have the option of submitting proposals through either (i) the City of Boston’s Supplier Portal via boston.gov/procurement or (ii) by delivery of two (2) separate sealed envelopes, one containing one (1) copy of the Technical Proposal and one (1) electronic copy (thumb drive), labeled as “TECHNICAL PROPOSAL,” and the other containing one (1) copy of the Price Proposal and one (1) electronic copy (thumb drive), labeled as “PRICE PROPOSAL.” Under no circumstance shall any price information be included with a Technical Proposal.

If submitting via paper, price and technical proposals shall be submitted **separately** in sealed, clearly labeled envelopes on or before 12 noon, Boston local time, on Thursday, October 26, 2017 to:

Maria Borisova -City of Boston—Room 703

Department of Innovation and Technology

One City Hall Square

Boston, MA 02201

The Official shall reject late proposals. Failure to submit separate sealed price and technical proposals shall result in disqualification of the entire proposal.

The Official shall not open the proposals publicly, but shall open the technical proposals in the presence of one or more witnesses within twenty-four (24) hours of the above deadline for submission of proposals. The Official may open price proposals later and in any case shall open the price proposals to avoid disclosure to the individuals evaluating the technical proposals.

The term of the contract shall be for three (3) years.

The City reserves the right to reject any and all proposals, or any part or parts thereof, and to award a contract as the Official deems to be in the best interests of the City. This contract shall be subject to the availability of an appropriation therefore, if sufficient funds are not appropriated for the contract in any fiscal year, the Official shall cancel the contract. The maximum time for acceptance of a proposal and the issuance of a written notification of award shall be one hundred eighty (180) days. The award of this contract shall be subject to the approval of the Mayor of Boston.

**BOSTON AWARDED \$2.4 MILLION
FROM SAMHSA TO INCREASE
ACCESS TO HOUSING AND
RECOVERY SUPPORT SERVICES**

Cooperative Agreement to Benefit Homeless Individuals (CABHI) has been awarded to help Bostonians receive housing, treatment and recovery support services

Mayor Walsh announced that the City of Boston has received a \$2.4 million federal award from the Substance Abuse and Mental Health Services Administration (SAMHSA) to support Boston's continued work in ending chronic and veteran homelessness. The grant will serve 270 chronically homeless individuals by further increasing the City's capacity to house and provide treatment for homeless individuals with mental health and substance use disorders.

Boston's funds from the \$2.4 million SAMHSA grant will be distributed between the Boston Public Health Commission (BPHC) and the Pine Street Inn.

"To best set up our residents for success with housing, we have a multi-faceted support system in place and provide them with the wraparound services necessary to get on their feet and stay on their feet," said Mayor Walsh. "Since 2014, the City of Boston has housed over 1,100 chronically homeless individuals and veterans, and thanks to SAMHSA and our partner the Pine Street Inn, I'm proud to say that we will be able to put a roof over the heads of another 270 chronically homeless individuals."

This grant will support the Boston Cooperative Agreement to Benefit Homeless Individuals (CABHI) project during a three-year period. The funds will provide 270 chronically homeless individuals and homeless veterans with permanent housing; the behavioral health and other supports they need to stay in their new homes; and will improve their health and well-being through increasing access to employment, benefits and peer support. Participants will engage with a Citywide network of service providers, while the grant builds the capacity of the existing citywide infrastructure to achieve the goal of ending chronic homelessness in Boston.

THIRD ANNUAL WE BOS WEEK TO SUPPORT WOMEN ENTREPRENEURS

*This year's theme, **Get Inspired, Get Connected, Get Funded, Get Big** aims to address challenges in funding, mentorship and growing women-led businesses*

Mayor Walsh, the Mayor's Office of Economic Development and the Mayor's Office of Women's Advancement announced the third annual Women Entrepreneurs Boston (WE BOS) Week, a week-long series of events designed to support women entrepreneurs beginning on Monday, October 16. Curated around this year's theme, "Get Inspired, Get Connected, Get Funded, Get Big," WE BOS Week is comprised of networking opportunities, educational workshops, panel discussions and coaching sessions with industry leaders and investors.

"In Boston we believe that when women succeed, we all succeed. That's why it's so important that we continue lifting up our women-owned business and entrepreneurs," said Mayor Walsh. "I am proud to host the third annual WE BOS Week along with Boston's women leaders to create and support opportunities to promote women entrepreneurs and ensure economic equity."

The annual WE BOS Week kick-off celebration will be held in partnership with Mass Innovation Nights (MIN) at Women Founders Night at WeWork South Station, where 12 women-led startups will showcase their businesses. The week will also feature free events throughout the City, nearly 200 office hours with leading venture capital firms and accelerators, an entrepreneur pitch contest hosted by The Refinery, instructional workshops, and curated networking opportunities.

About WE BOS

The WE BOS program advances Boston's women entrepreneurs by providing the resources and network they need launch and grow their business. Since the launch of the program last fall over 1,500 women have participated in WE BOS through one-on-one coaching, educational programming, and networking opportunities.

ANNUAL FALL PUMPKIN FLOAT

Mayor Martin J. Walsh has announced that the annual Fall Pumpkin Float will be held at the Boston Common Frog Pond on Friday, October 20, from 5 p.m. to 8 p.m. Hundreds of illuminated jack-o'-lanterns will be floated on the water accompanied by spooky family activities.

Attendees are asked to bring 8-inch or smaller carved pumpkins that will be lit and then floated on the Frog Pond for a dramatic early evening display. In addition, attendees are invited to view creatively carved and decorated jack-o'-lanterns from various local sports teams and organizations. Adults and children are encouraged to wear Halloween costumes and participate in a wide range of fun activities. Children are invited to decorate luminary bags which will be displayed and illuminated along the edge of the Frog Pond. Test your courage and problem-solving skills in our haunted corn maze.

The Fall Pumpkin Float is presented by the **Boston Parks and Recreation Department** in partnership with the Skating Club of Boston. Key sponsors are Xfinity, Capital One Café, and Lantana Hummus. Media sponsors are the Boston Herald and Magic 106.7. Additional support is provided by HP Hood LLC, the Floating Hospital for Children at Tufts Medical Center, DAVIDsTEA, and Boston Cares.

This free family-friendly event will also include a roving magician, glow-in-the-dark games, a video game truck, children's crafts, games and giveaways by Magic 106.7, and scarily delicious snacks and refreshments provided by Capital One Café, Lantana Hummus, HP Hood LLC, and DAVIDsTEA.

LEGAL NOTICE

MASSACHUSETTS BAY TRANSPORTATION AUTHORITY 10 PARK PLAZA
BOSTON, MASSACHUSETTS 02116

**Public Announcement of Request for Letters of Interest for Design Build Services for the Red Line and
Orange Line Signals Systems Upgrades Project
Contract No. Q09CN01**

The Massachusetts Bay Transportation Authority (the "MBTA") hereby solicits Letters of Interest (LOI) from firms or teams (the "Design Build Entities") interested in providing Design Build (DB) services for the Red Line and Orange Line Signals Systems Upgrades Project (the "Project") in Boston, Massachusetts under MBTA Contract No. Q09CN01. The Project is being procured using a two-phase best-value DB procurement process pursuant to M.G.L. c. 149A, s. 14, et seq. and consistent with the MBTA's Design Build Procurement Procedures.

The MBTA intends to enter into a DB contract with the best-value Design Build Entity identified through a two-phase selection process including a Request for Qualifications (RFQ) with a subsequent Request for Proposals (RFP). The RFQ will be utilized to identify qualified Design Build Entities to submit a proposal pursuant to Section 19 of M.G.L. c. 149A. The best-value selection criteria detail will be provided in the RFP. Respondents to this request for LOI will receive future notifications of the RFQ's availability and its amendments.

The Disadvantaged Business Enterprise (DBE) participation goal is 4% of the design services and 7% for the construction portions of the work to be performed under the DB contract. Design Build Entities shall affirmatively ensure that in regard to any contract entered into pursuant to this solicitation, minority and female consultant firms and construction contractors will be afforded full opportunity to submit proposals and will not be discriminated against on the grounds of race, color, religion, sex, age or national origin in consideration for award. Design Build Entities will also be required to comply with FTA Civil Rights Provisions including EEO, DBE, Labor Work Force and Title VI. Because the MBTA reserves the right to use federal funding, respondents should assume that FTA requirements for federally funded projects will apply.

Submittal: One electronic copy of an LOI from Design Build Entities or firms interested in receiving a notice of the availability of the RFQ should be received by the MBTA at 2:00pm on September 28, 2017. All responses must be submitted via email to RLOLSignalsDB@mbta.com with the subject line labeled "Letter of Interest – [RLOL Signals Systems Upgrade Project](#)".

Project documentation and instructions for submitting a Letter of Interest are available on the MBTA website. http://www.mbta.com/business_center/bidding_solicitations/current_solicitations/
