Browsers We Support

These are browsers we support for development and quality assurance testing. Note: These are based on the City's top browser versions tracked via City's analytics traffic.

- Google Chrome 68 and higher
- Safari 11 and higher
- Internet Explorer 11 and higher
- Firefox 61 and higher
- Edge 17 and higher

For Mobile devices we support the latest Safari version (iOS) and the latest Chrome version (Android)
