Diversity Preservation Policy (aka Pilot Displacement Preference)

The goal of the policy is to stabilize neighborhoods and minimize displacement by providing a preference for existing neighborhood residents for up to 50% of the units in projects located in non-segregated geographies with high rates of displacement or households at high risk of displacement. The pilot preference will only be for initial rent up or sale of units. The Pilot Preference will run until the end of 2020 and an assessment and decision regarding the extension of the policy will be made at that time. We will evaluate the impact of the policy after each completed project. The policy will not be applied to Federally-funded or State-funded projects prior to obtaining HUD and/or DHCD approval to do so.
