BOSTON POLICE YOUNG ADULT DEVELOPMENT (YAD) FUND

Various locations throughout the City of Boston

CONTACT INFORMATION

youngadultdevfund@pd.boston.gov

The City of Boston acting by its Boston Police Department through its Police Commissioner (the Official), Contracts Unit, 3rd Floor, One Schroeder Plaza, Boston, MA 02120, hereinafter referred to as the Awarding Authority, hereby invites requests for proposals for the above entitled project, and particularly set forth in the Request for Proposals which may be obtained from the following link: <https://sites.google.com/pd.boston.gov/youngadultdevfund2020> commencing at **9:00 AM on Monday, September 9, 2019**

Since 2017, the City of Boston has experienced an increase in the average-age of victims in fatal and non-fatal shooting incidents, with the average age of victim in 2017 being 28, in 2018 being 29, and year to date 2019 being age 30. Through past cleared cases we believe that the majority of perpetrators are also age 25 and older. Given that, city agencies and community based organizations (CBO) have met to discuss these trends and to think through ways of preventing gun violence among this age cohort; including outreach, engagement and intervention, and by creating diversion opportunities for them to engage in. This year's YAD Fund will be utilized to provide additional support to CBO's that already serve this high-risk populations.

The Boston Police Department is seeking proposals from CBO's and those using eligible fiscal agents, who provide YAD programs to young adult, male and female residents, age 25 and older, in their pursuit of alternatives to criminal activity, including, but not limited to: job readiness, training and placement skills, and other skills needed to become productive, employed and successful residents of the City of Boston.

COB will make every effort to be deliberate and intentional with giving in the Boston community, and will look closely at which programs align with the unique needs of the community.

Additional funding preference will be given to proposals that meet one or more of the following criteria. However, funding decisions will consider the cohort of programs funding to ensure that resources are meeting community needs and reflect the diversity of Boston.

- CBO's that work with men and women 25 and older that can provide pathways to a living wage careers; and
- CBO's that work with men and women 25 and older that work with returning citizens/reentry clients, who could benefit from one on one case-management services, and programming that offers a wide range of supports, including but not limited to job readiness, training and placement services.

All proposals shall be submitted electronically no later than **Wednesday, September 25, 2019 at 12:00 Noon (EST)** through the following link: <https://sites.google.com/pd.boston.gov/youngadultdevfund2020>.

Request for Proposals shall be available until the deadline for submission. The attention of all proposers is directed to the provisions of the RFP.
